

uPD78 EEPROM Programming adapters kit

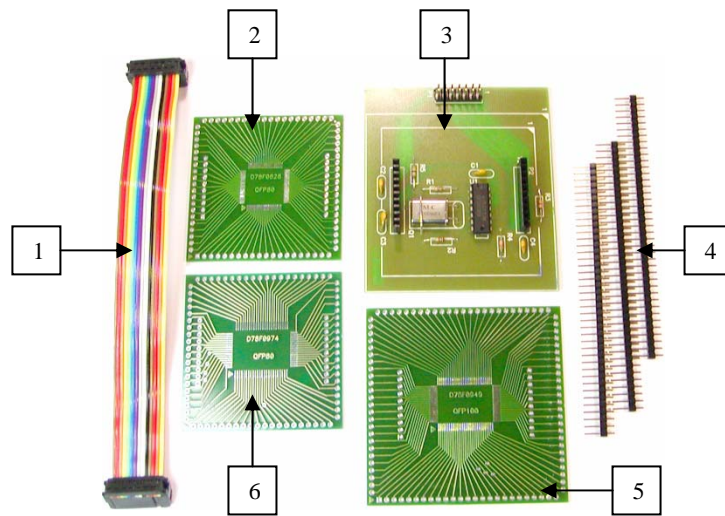

Figure 1 (adapters set)

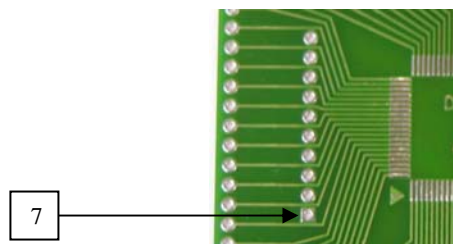

Figure 2 (first pin orientation)

1. Flexible cable between uPD78 EEPROM programmer board and uPD78 adapters motherboard.
2. uPD780824AGC; uPD78F0826AGC; uPD780828AGC; uPD78F08248AGC programming adapter 80-pin QFP (square flat)
3. uPD78 adapters motherboard
4. Connectors
5. uPD780948GF(A); uPD780949GF(A); uPD78F0948GF; uPD78F0949GF; programming adapter 100-pin QFP (rectangular flat)
6. uPD780973GF(A); uPD78F0947GF; programming adapter 80-pin QFP (rectangular flat)
7. The hole with square contour shows 1-pin orientation for all programming adapters
